**INDIA'S NO. 1
ECM REPAIR TRAINING INSTITUTE**

Campus Address
Near UK Palace, G.T. Road, Khanna-141401 (Punjab)
Mob : +91 88726-46155, +91 77196-44438

ABOUT US

Hi-Tech Automotive Skills Development Academy was started in 1970. Jaswant Singh was the head of the institute. He got training from KT Service Station of Sector 17 in Chandigarh. In 1994, Avtar Singh Son of S. Jaswant Singh also joined his father he started various mechanical training programs and courses. Since 1994 institute provide training to progressive students and provide training certificates. Our students work in many multinational companies around the world.

In 2000 **Jagjit Singh** (Younger brother of Avtar Singh) also join the institute. He was expert in automotive electronics. He started various automotive electronics training programs. Then the new era of automotive electronics has begun. Our many students score 100% marks and good placements in various companies.

Now we started Automotive Skills Development Courses:-

- **Mechanical Training Course**
- **ECM Repair Training Course.**
- **Electrical Repair Course.**
- **Car A.C. Repair Course.**
- **BS-6 Advance Training.**
- **Denting & Painting Training.**
- **EV Repair Training.**

We train hundreds of students from around the world. Students participate in our training programs from countries like: Italy, France, Australia, England, Germany and Dubai & Canada.

HITECH AUTOMOTIVE SKILLS DEVELOPMENT ACADEMY is INDIA'S NO.1 Skills Development Academy to improve your skills. We also assure you 100% guarantee about you successful career in automotive industry. After Training Students are able to repair Cars, Trucks, 2-Whellers, Earthmoving Machines & more. To get more knowledge
